

Summary Table on SHN and Swab Requirements for Travellers to Singapore

This table summarises the SHN and Swab requirements for approved travellers under the following Safe Travel Lanes, according to the traveller's travel history in the past consecutive 21 days to a certain list of countries/regions:

- Singapore Citizen/Permanent Resident (SC/PR) Familial Ties Lane
- Student's Pass Holder Lane

S/N	Travel history in the past consecutive <u>21</u> days	Travel Lanes and SHN/Swab Requirements on Entry into Singapore	
		SC/PR Familial Ties Lane (with valid approval letter for entry)	Student's Pass Holder Lane (with valid approval letter for entry)
1.	- Australia (excluding Victoria state) - Brunei Darussalam - Mainland China (excluding Guangdong province) - New Zealand	<p>Short-term visitors coming from these countries/regions should consider applying for the Air Travel Pass instead.</p> <p>If approved to enter under the SC/PR Familial Ties Lane, the following health measures apply:</p> <ul style="list-style-type: none"> • No pre-departure test required • COVID-19 PCR test on arrival*, with self-isolation at self-sourced accommodation or own place of residence, until test results are released to traveller 	<ul style="list-style-type: none"> • No pre-departure test required • COVID-19 PCR test on arrival*, with self-isolation at self-sourced accommodation or own place of residence, until test results are released to traveller
2.	- Australia (Victoria state) - Hong Kong <i>Note:</i> ATB launch deferred – new launch dates of ATB flights to be reviewed in Jun 2021. Click here for details. - Macao - Mainland China (Guangdong province)	<ul style="list-style-type: none"> • No pre-departure test required • COVID-19 PCR test on arrival* • 7-day SHN at self-sourced accommodation, including place of residence, and COVID-19 PCR test at the end of SHN period 	
3.	- Israel - Taiwan	<ul style="list-style-type: none"> • COVID-19 PCR test within 72 hours before departure for Singapore and obtain a valid negative test result • COVID-19 PCR test on arrival* • 14-day SHN at SHN Dedicated Facility (SDF), and COVID-19 PCR test at the end of their 14-day SHN period ** • [From 27 Jun 2021, 2359 hours] Travellers serving SHN in dedicated SHN facilities to additionally undergo ART self-administered tests on Days 3, 7 and 11 of their SHN 	

S/N	Travel history in the past consecutive <u>21</u> days	Travel Lanes and SHN/Swab Requirements on Entry into Singapore	
		<u>SC/PR Familial Ties Lane</u> (with valid approval letter for entry)	<u>Student's Pass Holder Lane</u> (with valid approval letter for entry)
		<p>**From 23 Jun 2021, 2359 hours, travellers who had stayed in these countries/regions in the 21 days immediately prior to their arrival in Singapore will be allowed to apply to opt-out of dedicated SHN facilities before arrival and serve their 14-day SHN at their place of residence, if they fulfil the following criteria:</p> <ul style="list-style-type: none"> i. Travelled to no other country/regions other than the countries/regions stated on the left in this table row, in the last consecutive 21 days immediately prior to entry into Singapore; and ii. Are occupying their place of residence (i.e. residential address) alone, or only with household members who are also persons serving SHN with the same travel history and duration of SHN. <p>The list of countries/regions eligible for SDF opt-outs will be updated from time to time depending on the public health risk assessment. Travellers must be prepared that any prior approvals granted may be revoked, and the prevailing border and health control measures to apply on arrival, including SDF stays and payments, where applicable.</p>	
4.	- Bangladesh - India - Nepal - Pakistan - Sri Lanka	<p>Entry not allowed.</p> <p>All long-term pass holders and short-term visitors with recent travel history (including transit) to Bangladesh, India, Nepal, Pakistan and Sri Lanka within the last 21 days will <u>not</u> be allowed entry into Singapore, or transit through Singapore. This will also apply to all those who had obtained prior approval for entry into Singapore.</p>	
5.	All other countries/regions	<ul style="list-style-type: none"> • COVID-19 PCR test within 72 hours before departure for Singapore and obtain a valid negative test result • COVID-19 PCR test on arrival* • 14-day SHN at SHN Dedicated Facility (SDF), and COVID-19 PCR test at the end of their 14-day SHN period • [From 27 Jun 2021, 2359 hours] Travellers serving SHN in dedicated SHN facilities to additionally undergo ART self-administered tests on Days 3, 7 and 11 of their SHN 	

Notes:

***On-Arrival COVID-19 PCR Test and Antigen Rapid Test (ART) for Travellers**

All travellers (including SCs and PRs) will need to take a COVID-19 PCR test on arrival in Singapore. The prevailing SHN requirements, including the PCR test at the end of the SHN, will continue.

Table reflects latest travel policy as at 23 Jun 2021 for the specified lanes

From 27 Jun 2021, 2359 hours, travellers aged 3 and above (i.e. born in or after 2018) will also be required to present a valid negative COVID-19 PCR test taken within 72 hours before departure to Singapore, and be subjected to all tests required of travellers under the prevailing border measures. Only travellers who (i.) have stayed in lower risk countries/regions (listed under S/N 1 and 2 in the above table); or (ii.) below the age of 6 (i.e. born in or after 2015) who depart for Singapore before 27 Jun 2021, 2359 hrs (1559 hrs GMT), are exempted from this requirement.

Travellers with travel history in the past consecutive 21 days from Bangladesh, India, Nepal, Pakistan and Sri Lanka and entering Singapore, will also be required to take a COVID-19 Antigen Rapid Test (ART), in addition to a COVID-19 PCR test, on arrival at Changi Airport.

To expedite airport operations, travellers must [register and pre-pay](#) for their on arrival COVID-19 tests prior to departing for Singapore.

The costs incurred for COVID-19 tests (details [here](#)) and SDF stays (details [here](#)) are chargeable for all travellers.
