

Detailed Requirements for FDWs/CNs entering Singapore from Group 4 countries/regions

FDWs and CNs who spent the last 21 consecutive days in these countries/regions:

- Israel
- Taiwan

FDWs and CNs who spent the last 21 consecutive days in any of the above places before entering Singapore, and did not transit through other countries/regions, must comply with the following:

1. Take a COVID-19 polymerase chain reaction (PCR) test **within 72 hours before departure**. [FDWs and CNs who have recovered from COVID-19](#) are also subject to this requirement.

FDWs and CNs need to present a valid negative test result, in English and from [laboratories that are internationally accredited or recognised](#) by the respective countries' or regions' government, to enter Singapore. The test memo must also state these details:

- Test result
- Date of COVID-19 PCR test
- FDW's/CN's name
- Date of birth or passport number, as stated in her passport. If the particulars on the memo are not in her passport (e.g. memo states identification number, instead of passport number), she must produce the relevant identification documents for verification.

2. Take a COVID-19 test when they arrive in Singapore:

If the FDW/CN is serving Stay-Home Notice (SHN)	She must take a	What you must do?
At an SHN dedicated facility (SDF) by herself or with another FDW/CN	COVID-19 serology test and PCR test at the SDF within the first few days of arrival	<p>Pay for her COVID-19 serology and PCR tests (\$175 including GST) and other SHN charges during the entry application.</p> <p>Note: The Government will arrange for her tests at the SDF. You do not need to register for it.</p>
At an SDF with her employer or employer's family, or a place of residence	COVID-19 PCR test on arrival at the checkpoint	<p>Register and pay for the on-arrival COVID-19 test (\$160 including GST) before she arrives in Singapore. Otherwise, she may be denied entry into Singapore. Your subsequent entry applications may also be rejected.</p>

3. Serve a 14-day SHN:

For FDWs and CNs who meet [certain conditions](#), you can request for them to serve their 14-day SHN at a place of residence, instead of SDFs, during the entry application.

4. Take a COVID-19 swab test before 14-day SHN is over:

- FDWs and CNs will get an SMS to inform them when to take the swab test.
- During the entry application, you will be asked to pay for the following charges:
 - 14-day SDF stay (\$1,500 including GST)
 - Swab test (up to \$200 including GST)

5. **[Additional requirement for FDWs and CNs entering Singapore from 27 June 2021, 23:59 hours]** Those serving SHN in SDFs will be issued Antigen Rapid Test (ART) self-test kits for them to take ARTs during SHN.

Note:

Affected FDWs and CNs who are currently serving SHN will have their SHN reviewed and be notified of the check-out arrangement separately. Refund details will be shared with affected employers and employment agencies later on.

Registration and payment instructions for on-arrival COVID-19 test

FDW's/CN's mode of entry into Singapore	Cost of on-arrival test (including GST)	Use the relevant eService to register and pay for the test before the FDW/CN arrives in Singapore
Air	\$160	Changi Airport eService
Land or Sea	\$160	Parkway Shenton eService

Note: The instructions in the table above are **not applicable** to FDWs and CNs serving SHN in SDFs by themselves or with another FDW/CN.

Conditions for FDWs and CNs to serve 14-day SHN at a place of residence

During the entry application, you can request for FDWs and CNs to serve their 14-day SHN at a place of residence, instead of SDFs, if they fulfil **all of these conditions**:

- Place of residence is only occupied by the FDW/CN alone or household members with the same travel history, arrival date and SHN duration as the FDW/CN.
- Spent the last 21 consecutive days in any of the following places before entering Singapore, and did not transit through other countries/regions:
 - Israel
 - Taiwan

Note: FDWs and CNs are **not allowed** to serve the 14-day SHN in hotels.
