3.	<ul style="list-style-type: none"> - Fiji - Taiwan 	<ul style="list-style-type: none"> COVID-19 PCR test within 72 hours before departure for Singapore and obtain a valid negative test result COVID-19 PCR test on arrival* 14-day SHN at SHN Dedicated Facility (SDF), and an additional 7-day at place of residence, with COVID-19 PCR tests on Day 14 of SHN, and another test at the end of their 21-day SHN period <p><u>Note:</u> For the additional 7-day SHN stay at a place of residence, the following criteria must be met:</p> <ul style="list-style-type: none"> The traveller has not travelled to other country/region other than the above specified list in the last consecutive 21 days prior to departure for Singapore. The traveller must remain in the place of residence at all times during the SHN period. If sharing a place of residence with others, the traveller should stay in the room at all times, and use a dedicated toilet. The traveller should also avoid contact with other persons residing in the same place of residence who are not serving SHN. <p>If the place of residence does not meet the criteria above to safely serve SHN, travellers can choose to serve their 7-day SHN at a self-sourced accommodation (e.g. non-SDF hotels).</p>	
4.	<ul style="list-style-type: none"> - Bangladesh - India - Nepal - Pakistan - Sri Lanka 	<p>Entry not allowed.</p> <p>All long-term pass holders and short-term visitors with recent travel history (including transit) to Bangladesh, India, Nepal, Pakistan and Sri Lanka within the last 21 days will <u>not</u> be allowed entry into Singapore, or transit through Singapore. This will also apply to all those who had obtained prior approval for entry into Singapore.</p>	
5.	All other countries/regions	<ul style="list-style-type: none"> COVID-19 PCR test within 72 hours before departure for Singapore and obtain a valid negative test result COVID-19 PCR test on arrival* <p>21-day SHN at SHN Dedicated Facility (SDF), with COVID-19 PCR tests on Day 14 of SHN, and another test at the end of their 21-day SHN period</p>	

Notes:

***On-Arrival COVID-19 PCR Test and Antigen Rapid Test (ART) for Travellers**

All travellers (including SCs and PRs) will need to take a COVID-19 PCR test upon arrival in Singapore. The prevailing SHN requirements, including the PCR test at the end of the SHN, will continue.

All travellers with travel history in the past consecutive 21 days from Bangladesh, India, Nepal, Pakistan and Sri Lanka and entering Singapore, will need to take a COVID-19 Antigen Rapid Test (ART), in addition to a COVID-19 PCR test, on arrival at Changi Airport. Travellers aged 6 and below (i.e. those born from 2015 to 2021) will be exempted from the ART and PCR tests.

To expedite airport operations, travellers must [register and pre-pay](#) for their on arrival COVID-19 tests prior to departing for Singapore.

The costs incurred for COVID-19 tests (details [here](#)) and SDF stays (details [here](#)) are chargeable for all travellers.
