

Detailed Requirements for FDWs/CNs entering Singapore from Group 1 Countries/Regions

FDWs and CNs who spent the last 14 consecutive days in:

- Australia
- Brunei
- Mainland China
- New Zealand
- Taiwan

FDWs and CNs who spent the last 14 consecutive days in any of the above places before entering Singapore, and did not transit through other countries/regions, must comply with these requirements:

1. Take an on-arrival COVID-19 test in Singapore

Please [register and pay for the test](#) (\$160 including GST) **before the FDW/CN arrives in Singapore. Otherwise, she may be denied entry into Singapore.** Your subsequent entry applications may also be rejected.

2. Self-isolate until test results are negative

After the test, the FDW/CN must proceed **immediately** to and remain isolated in a suitable accommodation indicated below until she has obtained a negative test result:

- Hotel room
- Room with an attached toilet in employer's house (only allowed for existing FDWs returning from overseas)

If tested negative, she can go about her activities in Singapore.
