Guidelines for Travellers Entering Singapore via VTL (Land) with Malaysia

How to Enter Singapore via VTL (Land)

Planning the Trip

1

Ensure you are fully vaccinated and have a valid vaccination certificate with a QR code.

- If vaccinated in Singapore: Notarise portal or HealthHub and Trace Together app
- If vaccinated in Malaysia: MySejahtera app

2

Book designated VTL (Land) bus ticket.

At least 3 days before arrival.

- Woodlands Temporary Bus Interchange: <https://www.transtar.travel>
- Queens Street Terminal: <https://www.causewaylink.com.my>

3

Apply for Vaccinated Travel Pass via Singapore Safe Travel Portal. Successful applicants will receive Approval (Letter of Entry) via email.

At least 3 days before arrival.

Not required for Singapore Citizens and Permanent Residents.

<https://go.gov.sg/vtl-portal>

4

Purchase COVID-19 travel and/or medical insurance.

At least 3 days before arrival.

Not required for Singapore Citizens, Permanent Residents and Long-Term Pass Holders.

Travel and/or medical insurance should have a minimum coverage of S\$30,000 against COVID-19 related medical charges.

Preparing for Departure

5

Submit personal information, trip details and health declaration via the SG Arrival Card e-service.

Within 3 days before arrival.

<https://go.gov.sg/sgarrivalcard>.

6

Do a professionally-administered pre-departure test (either ART or PCR). Ensure test result is negative and test report is in English.

Within 2 days before arrival.

List of accredited test centres in Malaysia can be found at <https://go.gov.sg/msia-testcentres>.

Boarding the Bus

7

Prepare documents (in English) to be checked:

- ✓ Passport
- ✓ VTL (Land) bus ticket
- ✓ Vaccination certificate
- ✓ Vaccinated Travel Pass (if applicable)
- ✓ Negative pre-departure test (ART or PCR)
- ✓ Completed SG Arrival Card
- ✓ Copy of insurance policy (if applicable)

8

Reach the Larkin Sentral Bus Terminal 1 hour earlier, and board the designated VTL (Land) bus to Singapore.

After Arrival

9

Download TraceTogether app, register profile and activate the app.

Children aged 7-12 and those unable to use a mobile device can be issued TraceTogether tokens. Children aged 6 and below are exempted from the TraceTogether requirement.

10

Take an On-Arrival COVID-19 Test

All travellers arriving in Singapore will be required to undertake a supervised self-administered ART upon arrival.

11

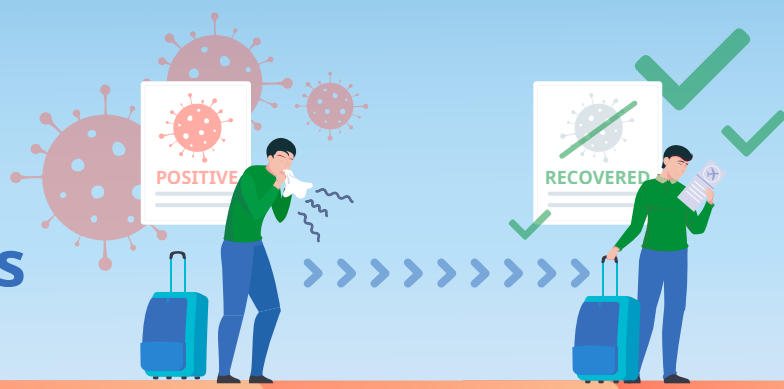

[From 24 Jan 2022] Unsupervised self-administered ART on Days 2 to 7 of Arrival

Day of arrival will be considered as Day 1. All travellers must test negative before leaving their place of residence or accommodation for the day.

Protocols for Travellers with Special Circumstances

Recovered Travellers

JAN
24

From **24 Jan 2022**, fully vaccinated travellers who have recently recovered from COVID-19 are **exempted from the following border measures** when entering Singapore via VTL (Land):

Pre-departure test

✗ Exempted

On-arrival test

✗ Exempted

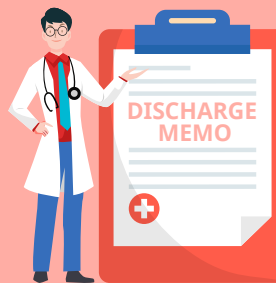

Self-administered
ART from days 2 to 7
after arrival

✗ Exempted

Have any of the relevant documentary proof:

Positive PCR or
professionally-administered
ART result between
7 – 90 days before arrival

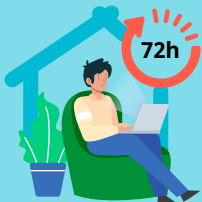

Present a discharge memo issued
by the relevant state authority or
licensed medical professional that
includes:

- Name
- ID number or date of birth
- Date of infection (or discharge date, if the date of infection can be inferred)

Recovered travellers must still adhere to all other travel requirements under VTL (Land).

Travellers who Test Positive during On-Arrival or Self-Administered ART

Travellers who are well but test positive

- **Self-isolate** at place of residence/ accommodation for first **72 hours**

- After 72 hours, **resume normal activities when tested negative** for self-administered ART. If ART is positive, continue to self-isolate and self-test.

Please refer to www.covid.gov.sg/well-and-positive-or-condition-assessed-mild-by-doctor for more details.

Travellers who are medically high-risk or severely symptomatic

- See a doctor

- MOH will be in contact regarding recovery procedure

Please refer to www.covid.gov.sg/travellers for more details.

Frequently Asked Questions

On VTL (Land)

1. If I have an approved Vaccinated Travel Pass under VTL (Air), can I use it for VTL (Land)?

No, a Vaccinated Travel Pass applied under the VTL (Air) is not transferrable to the VTL (Land). Travellers will be denied boarding by the bus operator if they present a VTP for VTL (Air). Do make a new application for a Vaccinated Travel Pass for VTL (Land) via <https://go.gov.sg/vtl-portal>.

2. What if I encounter issues applying for the Vaccinated Travel Pass?

For assistance, please write to the Safe Travel Office (<https://go.gov.sg/sto-enquiry>) or call the SafeTravel Enquiries helpline at +65 6812 5555.

On Bus Tickets

3. Do I need to buy a bus ticket for my child aged 12 years old and below?

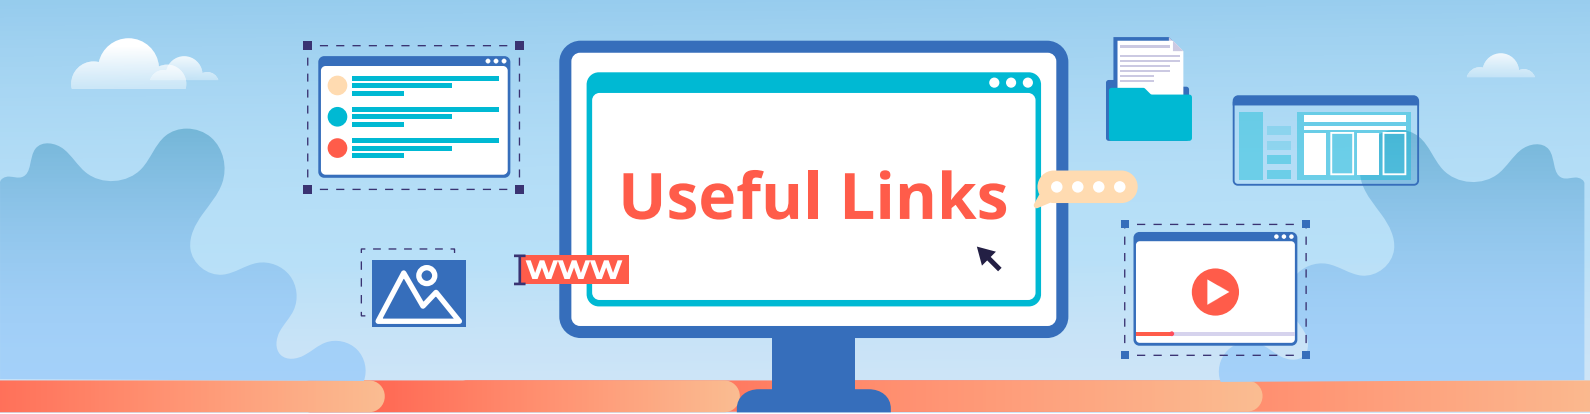

Yes, all children aged 12 and below must have their own bus tickets. In addition, they are required to be accompanied by a vaccinated adult under the VTL.

4. Can I buy bus tickets at Woodlands Temporary Bus Interchange or Larkin Sentral Bus Terminal?

No. Travellers are to purchase their bus tickets online.

5. Can I transfer my bus ticket to someone else?

No, bus tickets are not transferable.

To buy bus tickets:

- **Woodlands Temporary Bus Interchange:** <https://www.transtar.travel>
- **Queens Street Terminal:** <https://www.causewaylink.com.my>
