

Detailed requirements for pass holders entering Singapore from Group 4 or all other countries/regions

They must comply with the following:

1. **Take a COVID-19 polymerase chain reaction (PCR) test* **within 72 hours before departure****
 - Pass holders who have [recovered from COVID-19](#) are also subject to this requirement.
 - Pass holders need to present a valid negative test result, in English and from [laboratories that are internationally accredited or recognised](#) by the respective countries' or regions' government, to enter Singapore. The test memo must also state these details:
 - Test result
 - Date of COVID-19 PCR test
 - Pass holder's name and either date of birth or passport number, as stated in their passport. If the particulars on the memo are not in the passport (e.g. memo states identification number, instead of passport number), the pass holder must produce the relevant identification documents for verification.
2. **Take an on-arrival COVID-19 test*** in Singapore
 - Please [register and pay for the pass holder's test](#) (\$160 including GST) **before he/she arrives in Singapore**. Otherwise, he/she may be denied entry into Singapore. Your subsequent entry applications may also be rejected.
3. **Serve a 14-day Stay-Home Notice (SHN)** at dedicated SHN facilities
 - Once they arrive, they will be informed of the location and sent directly to the facilities.
 - For pass holders who [meet certain conditions](#), you can request for them to serve their 14-day SHN at a place of residence during the entry application, instead of the dedicated SHN facilities.
 - After the 14-day SHN, they must complete an [additional 7-day testing regime at designated facilities](#).
4. **Take another COVID-19 test*** before SHN is over
 - The pass holder will be notified of the test appointment details by SMS.
 - During the entry application, you will be asked to pay for the following:
 - Pass holder's stay at the dedicated SHN facility (\$2,000 including GST)
 - COVID-19 test (up to \$200 including GST)

** Children 6 years old and below this year are exempted from the COVID-19 tests.*
