

## **Detailed requirements for pass holders entering Singapore from all other countries/regions**

They must comply with the following:

1. Take a COVID-19 polymerase chain reaction (PCR) test\* **within 72 hours before departure:**

Pass holders who have [recovered from COVID-19](#) are also subject to this requirement.

Pass holders need to present a valid negative test result, in English and from [laboratories that are internationally accredited or recognised](#) by the respective countries' or regions' government, to enter Singapore. The test memo must also state these details:

- Test result
- Date of COVID-19 PCR test
- Pass holder's name
- Date of birth or passport number, as stated in their passport. If the particulars on the memo are not in the passport (e.g. memo states identification number, instead of passport number), the pass holder must produce the relevant identification documents for verification.

2. **Take an on-arrival COVID-19 test\*** in Singapore:

Please [register and pay for the pass holder's test](#) **before he/she arrives in Singapore**. Otherwise, he/she may be denied entry into Singapore. Your subsequent entry applications may also be rejected.

3. **Serve a 14-day Stay-Home Notice (SHN) in SHN dedicated facilities (SDFs).**
4. **Take Antigen Rapid Tests (ARTs)\*** during their SHN using self-test kits issued by SDFs.
5. **Take COVID-19 swab test\*** before 14-day SHN is over:
  - Pass holders will be notified of their swab test appointment details by SMS.
  - During the entry application, you will be asked to pay for the following charges:
    - 14-day SDF stay (\$2,000 including GST)
    - Swab test (\$125 including GST)
6. **Additional procedure only for pass holders staying in dormitories:**

After the 14-day SHN, such pass holders must still undergo an [additional 7-day stay and testing regime](#).

**Note:** \*Children 2 years old and below this year are exempted from the COVID-19 tests.
