

Detailed Requirements for FDWs/CNs entering Singapore from Group 4 or all other countries/regions

They must comply with the following:

1. Take a COVID-19 polymerase chain reaction (PCR) test **within 72 hours before departure**. [FDWs and CNs who have recovered from COVID-19](#) are also subject to this requirement.

FDWs and CNs need to present a valid negative test result, in English and from [laboratories that are internationally accredited or recognised](#) by the respective countries' or regions' government, to enter Singapore. The test memo must also state these details:

- Test result
- Date of COVID-19 PCR test
- FDW's/CN's name and either date of birth or passport number, as stated in her passport. If the particulars on the memo are not in her passport (e.g. memo states identification number, instead of passport number), she must produce the relevant identification documents for verification.

2. **Take a COVID-19 test** when they arrive in Singapore.

If the FDW/CN is serving Stay-Home Notice (SHN)	She must take a	What you must do?
With her employer or employer's family at an SHN dedicated facility (SDF) or place of residence	COVID-19 PCR test on arrival at the checkpoint	Register and pay for the on-arrival COVID-19 test (\$160 including GST) before she arrives in Singapore . Otherwise, she may be denied entry into Singapore. Your subsequent entry applications may also be rejected.

If the FDW/CN is serving Stay-Home Notice (SHN)	She must take a	What you must do?
At an SDF by herself or with another FDW/CN	COVID-19 serology test and PCR test at the SDF within the first few days of arrival	<p>Pay for her COVID-19 serology and PCR tests (\$175 including GST) and other SHN charges during the entry application.</p> <p>Note: The Government will arrange for her tests at the SDF. You do not need to register for it.</p>

3. Serve a 14-day SHN at SDFs.

- Once they arrive, they will be informed of the location and sent directly to the facilities.
- For FDWs and CNs who [meet certain conditions](#), you can request for them to serve SHN at a place of residence during the entry application, instead of SDFs.

4. Take a COVID-19 swab test before their 14-day SHN is over.

- The FDW/CN will get an SMS to inform her when to take the test.
- During the entry application, you will be asked to pay for the following charges:
 - SDF stay (\$1,500 including GST)
 - Swab test (up to \$200 including GST)

Note:

- **FDWs/CNs entering Singapore from 7 May 2021, 23:59 hours:** Must serve a 21-day SHN at SDFs. During their 21-day SHN, they will take 2 COVID-19 swab tests.
- **Those who have not completed their 14-day SHN by 7 May 2021, 23:59 hours:** Also subject to the 21-day SHN. They must serve the remainder of their 21-day SHN at their current SHN accommodation.
- **FDWs/CNs with travel history to Bangladesh, India, Nepal, Pakistan, Sri Lanka, South Africa or United Kingdom:**

Currently required to serve a 21-day SHN at SDFs. Those who have not completed their 21-day SHN **by 7 May 2021, 23:59 hours**, must complete their 21-day SHN at their current SHN accommodation. During their 21-day SHN, they will take 2 COVID-19 swab tests.

- **FDWs/CNs with travel history to Fiji or Vietnam:**
 - **In the last 21 consecutive days before entry and arrive in Singapore from 7 May 2021, 23:59 hours:** Must serve a 21-day SHN at SDFs. Those with a [suitable place of residence](#) have the option to serve the last 7 days of their SHN at the residence. During their 21-day SHN, they will take 2 COVID-19 swab tests.
 - **Those who have not completed their 14-day SHN by 7 May 2021, 23:59 hours:** Also subject to the 21-day SHN. Those who are currently serving SHN at:
 - o Place of residence can continue to serve the remainder of their 21-day SHN at the residence.
 - o SDFs can serve the remainder of their 21-day SHN at SDFs. Those with a [suitable place of residence](#) have the option to serve the last 7 days of their SHN at the residence.

Charges for 21-day stay at SDF: \$2,250 including GST (excludes COVID-19 test charges)

Registration and payment instructions for on-arrival COVID-19 test

FDW's/CN's mode of entry into Singapore	Cost of on-arrival test (including GST)	How to register and pay for the test?
Air	\$160	Use Changi Airport's eService to register and pay for the test before the FDW/CN arrives in Singapore.
Land	\$160	<p>On arrival, the FDW/CN must register and pay for the test at the checkpoint using any of these modes:</p> <ul style="list-style-type: none"> • Cash in Singapore dollars • NETS • MasterCard or VISA <p>You must reimburse the FDW/CN, unless she was already working for you earlier on and left Singapore for personal reasons.</p>
Sea	\$160	Use MPA's eService to register and pay for the test before the FDW/CN arrives in Singapore.

Note: The instructions in the table above are **not applicable** to FDWs and CNs serving SHN at SDFs by themselves or with another FDW/CN.

Conditions for FDWs and CNs to serve the last 7 days of their SHN at a place of residence

During the entry application, you can request for FDWs and CNs to serve the last 7 days of their SHN at a place of residence, instead of SDFs, if they fulfil **all of these conditions**:

- Place of residence is occupied only by the FDW/CN and household members who travelled together with her. All of them must have the same travel history, arrival date and SHN duration.

Note: Place of residence does not include hotels.

- Spent the last 21 consecutive days in any of the following places before entering Singapore, and did not transit through other countries/regions:
 - Fiji
 - Vietnam
