

Detailed requirements for pass holders entering Singapore from Group 1 countries/regions

Pass holders who spent the last 21 consecutive days in these countries/regions:

- Australia
- Brunei
- Hong Kong (entering Singapore on [designated Air Travel Bubble flights](#))
- Mainland China
- New Zealand
- Taiwan (entering Singapore **before 16 May 2021, 23:59 hours**)

Pass holders who spent the last 21 consecutive days in any of the above places before entering Singapore, and did not transit through other countries/regions, must comply with these requirements:

1. Take an on-arrival COVID-19 test in Singapore

- Children who are 6 years old and below this year are exempted from the on-arrival COVID-19 tests.
- Please [register and pay for the pass holder's test](#) (\$160 including GST) **before he/she arrives in Singapore**. Otherwise, he/she may be denied entry into Singapore. Your subsequent entry applications may also be rejected.

2. Self-isolate until test results are negative

After the test, pass holders must proceed **immediately** to and remain isolated in a suitable accommodation indicated below until they have obtained a negative test result:

- Hotel room
- Room with an attached toilet in their house

If tested negative, they can go about their activities in Singapore.
