		PCR test at the end of 7-day self-isolation period			
		<p><b><u>Restricting Travel from United Kingdom</u></b>            From 23 December 2020, 2359 hours, until further notice:</p> <ul style="list-style-type: none"> <li>All long-term pass holders and short-term visitors with recent travel history to the UK within the last 14 days will <u>not</u> be allowed entry into Singapore, or transit through Singapore. This will also apply to all those who had obtained prior approval for entry into Singapore.</li> <li>Returning Singapore Citizens, Permanent Residents will be required to undergo a COVID-19 PCR test upon arrival in Singapore, at the start of their 14-day SHN.</li> </ul> <p><b><u>Restricting Travel from South Africa</u></b>            From 03 January 2021, 2359 hours, until further notice:</p> <ul style="list-style-type: none"> <li>All long-term pass holders and short-term visitors with recent travel history to South Africa within the last 14 days will not be allowed entry into Singapore, or transit through Singapore. This restriction will apply to those who have obtained prior approval for entry into Singapore.</li> <li>Returning Singapore Citizens, Permanent Residents will be required to undergo a COVID-19 PCR test upon arrival in Singapore, at the start of their 14-day SHN. These test requirements do not apply to those who are only transiting through Singapore.</li> </ul> <p><b><u>Precautions for Travellers from the United Kingdom and South Africa</u></b>            From 18 January 2021, 2359 hours, until further notice, all returning SCs and PRs from the UK and South Africa will be subject to an additional 7-day self-isolation at their place of residence, following their 14-day SHN at dedicated SHN facilities. The returnees from the UK and South Africa will be tested at the end of their SHN (per the current requirement), and again after they have completed their 7-day self-isolation period. These further precautions will apply to travellers who are currently serving their SHN.</p>			
5.	All other countries/places	<ul style="list-style-type: none"> <li>COVID-19 PCR test on-arrival</li> <li>14-day SHN at SHN Dedicated Facility (SDF) and COVID-19 PCR test at the end of SHN</li> </ul>	<ul style="list-style-type: none"> <li>COVID-19 PCR test within 72 hours before departure for Singapore and obtain a valid negative test result</li> <li>COVID-19 PCR test on-arrival</li> <li>14-day SHN at SHN Dedicated Facility (SDF) and COVID-19 PCR test at the end of SHN</li> </ul>	<ul style="list-style-type: none"> <li>COVID-19 PCR test within 72 hours before departure for Singapore and obtain a valid negative test result</li> <li>COVID-19 PCR test on-arrival</li> <li>14-day SHN at SHN Dedicated Facility (SDF) and COVID-19 PCR test at the end of SHN</li> </ul>	<ul style="list-style-type: none"> <li>COVID-19 PCR test within 72 hours before departure for Singapore and obtain a valid negative test result</li> <li>COVID-19 PCR test on-arrival</li> <li>14-day SHN at SHN Dedicated Facility (SDF) and COVID-19 PCR test at the end of SHN</li> </ul>
<p><b><u>On-arrival Testing for Travellers</u></b>            From 24 January 2021, 2359 hours, all travellers (including SCs and PRs) will need to take a COVID-19 PCR test upon arrival in Singapore. The prevailing SHN requirements, including the PCR test at the end of the SHN, will continue. To expedite the COVID-19 PCR test at the airport, travellers are strongly encouraged to <a href="#">register and pre-pay</a> for their on-arrival COVID-19 PCR test prior to departing for Singapore.</p>
