

Detailed Requirements for FDWs/CNs entering Singapore from Group 4 or all other countries/regions

They must comply with the following:

1. Take a COVID-19 polymerase chain reaction (PCR) test **within 72 hours before departure**. [FDWs and CNs who have recovered from COVID-19](#) are also subject to this requirement.

FDWs and CNs need to present a valid negative test result, in English and from [laboratories that are internationally accredited or recognised](#) by the respective countries' or regions' government, to enter Singapore. The test memo must also state these details:

- Test result
- Date of COVID-19 PCR test
- FDW's/CN's name and either date of birth or passport number, as stated in her passport. If the particulars on the memo are not in her passport (e.g. memo states identification number, instead of passport number), she must produce the relevant identification documents for verification.

2. **Take a COVID-19 test** when they arrive in Singapore.

You do not need to register for it.</p>

3. Serve a 14-day SHN at SDFs.

- Once they arrive, they will be informed of the location and sent directly to the facilities.
- For FDWs and CNs who [meet certain conditions](#), you can request for them to serve their 14-day SHN at a place of residence during the entry application, instead of SDFs.

4. Take a COVID-19 swab test before their 14-day SHN is over.

- The FDW/CN will get an SMS to inform her when to take the test.
- During the entry application, you will be asked to pay for the following charges:
 - SDF stay (\$1,500 including GST)
 - Swab test (up to \$200 including GST)

Additional procedures for FDWs/CNs with travel history to India, South Africa or United Kingdom within the last 14 days before entering Singapore:

- **For FDWs/CNs with travel history to India who:**
 - Entered Singapore **before 23 April 2021, 23:59 hours**: Must complete a 21-day SHN at SDFs. During their 21-day SHN, they will take 2 COVID-19 swab tests.
 - Have not completed their 14-day SHN **by 22 April 2021, 23:59 hours**: Will also be subject to the 21-day SHN at SDFs.
- **For FDWs/CNs with travel history to South Africa or United Kingdom:** After their 14-day SHN at SDFs, they must serve an additional 7-day SHN at a hotel or their employers' houses (only allowed for existing FDWs).

They must take another COVID-19 swab test before the additional 7-day SHN is over.
