

GUIDE TO APPLYING FOR ENTRY APPROVAL

(updated 19 December 2021)

!! Important Notes

1. Travellers entering under the Student's Pass Holder Lane (STPHL) will be subject to travel health control measures (e.g. Stay Home Notice (SHN), swab tests) based on their 14-day travel history. Please check <https://safetravel.ica.gov.sg/SHN-and-swab-summary> for the measures applicable to you.
2. In particular, if you have a Category (II) or (III) travel history, you are required to source for your own accommodation to serve a 7 or 10-day SHN. If you plan to book a self-sourced hotel, **you must inform the hotel that you are serving a SHN and ensure that the hotel can accommodate you, before making a booking.**
3. Travellers are reminded that they will be **responsible for all costs associated with COVID-19 treatment and recovery, including any necessary extended stay in hotels or care facilities* if they test positive for COVID-19. Travellers should ensure they have sufficient funds or insurance coverage for these costs.** For more information, please visit <https://safetravel.ica.gov.sg/health/insurance-and-treatment>.

**Travellers who test positive for COVID-19 will be enrolled into the Home Recovery Programme (if they have a place of residence in Singapore) or in-situ recovery (if residing in hotels) by default. Depending on when they test positive, travellers may have to isolate for an additional 10/14 days after their SHN. Those who are not able to recover at home would need to extend their hotel stays by up to 10/14 days at their own cost.*
