

Detailed Requirements for FDWs/CNs entering Singapore from all other countries/regions

They must comply with the following:

1. Take a COVID-19 polymerase chain reaction (PCR) test **within 72 hours before departure**. [FDWs and CNs who have recovered from COVID-19](#) are also subject to this requirement.

FDWs and CNs need to present a valid negative test result, in English and from [laboratories that are internationally accredited or recognised](#) by the respective countries' or regions' government, to enter Singapore. The test memo must also state these details:

- Test result
- Date of COVID-19 PCR test
- FDW's/CN's name
- Date of birth or passport number, as stated in her passport. If the particulars on the memo are not in her passport (e.g. memo states identification number, instead of passport number), she must produce the relevant identification documents for verification.

2. **Take a COVID-19 test** when they arrive in Singapore:

If the FDW/CN is serving Stay-Home Notice (SHN)	She must take the following tests
By herself or with another FDW/CN	<ul style="list-style-type: none"> • Additional test only for FDWs and CNs arriving from Indonesia from 5 July 2021, 23:59 hours: They must take an Antigen Rapid Test (\$67 including GST) at the checkpoint. • COVID-19 serology test and PCR test at the SHN dedicated facility (SDF) within the first few days of arrival. No registration is needed. During the entry application, you will be asked to pay for the COVID-19 serology and PCR tests (\$175 including GST).

With her employer or employer's family	<p>On-arrival test at the checkpoint:</p> <ul style="list-style-type: none">• PCR test (\$160 including GST)• Additional test only for FDWs and CNs arriving from Indonesia from 5 July 2021, 23:59 hours, they must take an Antigen Rapid Test (\$67 including GST) <p>Please register and pay for the on-arrival test before the FDW/CN arrives in Singapore. Otherwise, she may be denied entry into Singapore. Your subsequent entry applications may also be rejected.</p>
--	--

3. **Serve a 14-day SHN in SHN dedicated facilities (SDFs).**
4. **Take Antigen Rapid Tests (ARTs)** during their SHN using self-test kits issued by SDFs.
5. **Take a COVID-19 swab test** before 14-day SHN is over:
 - FDWs and CNs will get an SMS to inform them when to take the swab test.
 - During the entry application, you will be asked to pay for the following charges:
 - 14-day SDF stay (\$1,500 including GST)
 - Swab test (\$125 including GST)

Registration and payment instructions for on-arrival COVID-19 test

FDW's/CN's mode of entry into Singapore	Cost of on-arrival test (including GST)	Use the relevant eService to register and pay for the test before the FDW/CN arrives in Singapore
Air	<p>PCR test- \$160</p> <p>Additional test only for FDWs and CNs arriving from Indonesia from 5 July 2021, 23:59 hours: They must also take an ART (\$67).</p>	<u>Changi Airport eService</u>
Land or Sea	<p>PCR test- \$160</p> <p>Additional test only for FDWs and CNs arriving from Indonesia from 5 July 2021, 23:59 hours: They must also take an ART (\$67).</p>	<u>Parkway Shenton eService</u>

Note: The instructions in the table above are **not applicable** to FDWs and CNs serving SHN in SDFs by themselves or with another FDW/CN.
