Detailed requirements for pass holders entering Singapore from Group 1 countries/regions

Pass holders who spent the last 14 consecutive days in:

- Australia
- Brunei
- Mainland China
- New Zealand
- Taiwan

Pass holders who spent the last 14 consecutive days in any of the above places before entering Singapore, and did not transit through other countries/regions, must comply with these requirements:

1. **Take an on-arrival COVID-19 test in Singapore**

   - Children who are 6 years old and below this year are exempted from the on-arrival COVID-19 tests.
   - Please register and pay for the pass holder's test ($160 including GST) **before he/she arrives in Singapore**. Otherwise, he/she may be denied entry into Singapore. Your subsequent entry applications may also be rejected.

2. **Self-isolate until test results are negative**

   After the test, pass holders must proceed directly to and remain isolated in their house or a hotel until they have obtained a negative test result. If tested negative, they can go about their activities in Singapore.

Registration and payment instructions for on-arrival COVID-19 test

Pass holder's mode of entry into Singapore	Cost of on-arrival test (including GST)	How to register and pay for the test?
